AN EXCEPTIONAL LOCATION

The surfing and lifesaving capital, **Hossegor**, located in the Landes region, has always been a land of sport and recreation.

Thanks to its exceptional natural surroundings, Hossegor boasts long Atlantic beaches with powerful ocean waves and a magical marine lake surrounded by pine trees.

Le Boiteux beach, chosen as the main site and known for its sandbank at the base of the dunes, is located just north of Gravière beach. In case of poor ocean conditions, the South beach will serve as a backup site.
